

Child And Forced Labour Policy

We strongly value the cause of human rights and fundamental freedom and have therefore, adopted a policy for prevention of Child and Forced Labour in its operations. The Company will ensure that only workers over and above the age of eighteen will be deployed in its operations which will be substantiated with relevant documentary evidence of legal proof of age.

We are committed to non-deployment of child and forced labour across all its operations. The Company strongly believes that the responsibility to engage in employment practices need to meet the highest legal and ethical standards.

We expect our suppliers and customers to adhere to same policy on non-deployment of child and forced labour. The Company believes that promoting fair and appropriate employment is a critical part of the commitments made to its people.

We follow the framework set by Constitution of India, Child Labour (Prohibition & Regulation) Act 1986 & The Factories Act 1948
